WORK EXPERIENCE

Skeldon, Voghera — *Video Technician | Engineer*

MAY 2015 - PRESENT

Skeldon is a cooperative where I work as freelance for my clients.

Event Management, Peschiera Borromeo — *Video Engineer*

FEBRUARY 2014 - DECEMBER 2014

A video service company situated in Milan. A one year project to develop large video installations and implement stage movement systems.

Audiolux, Zelo Buon Persico — *Video Technician*

JANUARY 2005 - NOVEMBER 2013

A full service rental company where I worked as video technician, from the start up of the video department to its consolidation into an important video order business.

Bunker Studio, Arcore — *Project Manager and Owner*

MAY 2004 - PRESENT

This is my own company. I founded it to work with communication agencies. I develop and review projects from the technical point of view, and, if required, I also manage the installation and operation.
